Attorney Docket No. 066692-0097	:	

This is in response to the renewed petition under 37 CFR 1.47(a), filed July 11, 2005. Applicants obtained an extension of time for response within the fourth month. Therefore, the petition is filed timely.

The petition under 37 CFR 1.47(a) is granted.

Applicants showed that Min S. Lee, the non-signing inventor, refused to join in the filing of the above-identified application after having been presented with the application papers. Specifically, the Statement of Facts of Deborah L. Cadena established that the inventor was presented with the application papers, including the specification, claims and drawings, via email and Federal Express, but failed to respond to the request that he sign the declaration.

The above-identified application and papers have been reviewed and found in compliance with 37 CFR 1.47(a). This application is hereby accorded Rule 1.47(a) status. As provided in Rule 1.47(c), this Office will forward notice of this application's filing to the non-signing inventor at the address given in the present petition. Notice of the filing of this application will also be published in the Official Gazette.

This matter is being referred to the Office of Initial Patent Examination for further processing.
